

**Los Angeles County Municipal Storm Water Permit**

**City of Industry Individual Annual Report  
Attachment I – Illicit Connection and Illicit Discharge Program**

IV. F. 1. Illicit Connection and Illicit Discharge Program – Attach a copy of your agency's IC/ID Program.

*The City of Industry is utilizing the Illicit Connection/Illicit Discharge Elimination Model Program as developed by the County of Los Angeles Department of Public Works, 2002. An individual IC/ID Elimination Program document has not been developed by the City of Industry. A copy of the County's IC/ID Elimination Program is kept at the offices of CNC Engineering, Inc. for reference.*
